How to request a nomination ballot or an election ballot

Alumni may request a nomination or election ballot by sending an e-mail to BOT@psu.edu or by calling (814) 865-2521.

When emailing or calling for a ballot, alumni must provide the following information:

- complete name at time of graduation (maiden name included)
- year of graduation, college, and major
- current e-mail address (where you would like to receive ballots), if applicable
- mailing address

After the alumni record is qualified, a ballot will be sent by email (to alumni who provided an email address) or by regular mail (to those who did not provide an email address).
